

Hello!

The ICCSD has officially cancelled our in-person summer programming until at least July 5th. We understand all of your desire for your kids to interact with their friends, stay busy with activities, and to have the chance to feel as if this summer is as normal as any other. Although we won't be able to host our usual summer camp on school grounds, we are forging ahead and rolling out a brand new summer program that we can all take part in from a distance!!

Lincoln BASP Couch Camp 2020

What: Couch Camp is a summer camp from the comfort of your own home.

We will be using a combination of Zoom and Instagram Live (M,W,F) and pre-written activities that don't rely on a computer (T, TH). Our goal is to provide as close to a summer camp experience as we can from a distance; complete with outdoor games, physical activities, crafts, friends, achievement badges, and fun.

When: Daily! Each day of the week there will be scheduled activities that students can take part in. Each activity is optional, and students are encouraged to take part in anything they are interested in, and avoid anything they are not!

Who: ANYONE. This program is entirely free and absolutely anyone is welcome to join. Kids, parents, siblings, friends from other schools, cousins from California... etc.

Where: Your home and your neighborhood! All of the activities will be designed to work from your own home, but also will strive to often get the kids outside and playing!

Also... we are offering free delivery of craft and supply boxes to anyone who is interested. These boxes will contain all of the supplies that your student(s) will need for the week's activities and will be delivered on Sundays!
